

Obręb: PATRYKI

The drawing shows a road layout with various elevation points marked. A red line, labeled 'koniec planowanych prac 8+800km' (end of planned works 8+800km), runs diagonally across the image. The road layout includes several curves and straight sections, with elevation points ranging from 114.1 to 116.8. A blue hatched area is visible in the upper left, and a yellow hatched area is in the upper right. The road is shown with lane markings and a center line.
